Fall 2021

THANK YOU!

Fall River Municipal Credit Union is proud of the passion and dedication our employees and volunteer board members devote to their jobs. They have been here throughout the challenges of the pandemic to ensure our members' financial needs were met. To show our gratitude for their perseverance, the credit union has hosted events to thank everyone for the hard work they do daily.

Fall River Municipal Credit Union could not provide our members with the caring attention they deserve without the great employees under the direction of a dedicated board of directors.

Waffles & Coffee:

On Thursday, July 8th all Fall River Municipal Credit Union employees were served Liege

Belgian Waffles and coffee from Mission Cold Brew at their respective branches.

Pier 52:

Our employees and board members enjoyed a break from their daily routine with a splendid evening by the Borden Light Marina at Pier 52 on Wednesday, August 4th.

FRMCU Sponsors Dockside Cafe

FRMCU sponsored 2400 biodegradable cups, covers, and straws for Dockside Café during their busiest weekend: The 15th annual charity Borden Light Marina Poker Run. Proceeds were donated to Make a Wish in Massachusetts and Rhode Island.

FRMCU has welcomed Sharona Anderson as a new assistant branch manager.

FRMCU DONATES TO FR PERMANENT FIREMEN'S BENEFIT ASSOCIATION

Matthew G. Schondek. From its humble beginning, started by a Fall River Firefighter, it is only right to return the honor. FRMCU has donated \$500 to the Fall River Permanent Firemen's Benefit Association.

Fall River Municipal Credit Union (FRMCU) has been proudly serving the local community since 1930. At Fall River Municipal Credit Union, "it is part of our mission to help the greater community" said President & CEO

The Fall River Permanent Firemen's Benefit Association relies on area businesses to raise funds to provide a death benefit to the beneficiary of a deceased firefighter.

FRMCU SUPPORTS THE COMMUNITY

Fall River Municipal Credit Union participated in the Fall River Cleanup & Hydrangea Planting

Project sponsored by the Creative Arts Network. Volunteers from the staff and management helped to beautify Fall River by planting hydrangeas at the credit union. The Creative Arts Network is non-profit run by a diverse group of volunteers through its board of directors and steering committee.

Each Friday, our employees can "dress down" to support local charities. A different organization is chosen each month and the staff can donate to support the chosen cause. Over the years, thousands of dollars in donations have been raised from employee contributions.
