

## YOUR DEPOSITS ARE SAFE AT FRMCU.

As one of the oldest credit unions in Fall River, FRMCU has been serving members since 1930.

While providing a variety of products and services to meet our members' financial needs, security of members funds has remained at the core of our commitment.

FRMCU member deposits are federally insured up to \$250,000 by the National Credit Union Administration (NCUA [www.ncua.gov](http://www.ncua.gov)) a US Government Agency. As a state chartered credit union in Massachusetts, deposits above the federal limit are fully insured by the Massachusetts Share Insurance Corporation (MSIC [www.msic.org](http://www.msic.org)).

### MSIC facts:

MSIC has a proven track record of strength and stability. No member of a MSIC-insured credit union has ever lost a penny.

Established in 1960, MSIC was the first insurance company in the country to provide deposit insurance protection to credit union members.

As a member of FRMCU, your deposits are insured by MSIC in full automatically and at no additional cost.

You can get more information about your insured deposits - brochures are available at FRMCU branch locations and on the NCUA and MSIC websites.
